

Rayon Nickram Tobin

Deputy Principal
2017 - present

Mrs. Rayon Tobin began her career as a pupil teacher at the Charity Secondary School having completed her secondary education in the year 1997. Because of her love and passion for teaching, Mrs. Tobin joined the Cyril Potter College of Education, Anna Regina Branch almost immediately and began training. In 2000 she graduated and secured an improved status to Assistant Mistress.

In 2002, Mrs. Tobin made a conscious decision to develop herself professionally and academically and so applied to the University of Guyana and was admitted to read for a degree in Geography. In an effort to make this a reality, Mrs. Tobin applied for a transfer and secured a spot at the Plaisance Secondary School on the East Coast of Demerara where she taught Mathematics whilst attending University from 2002 to 2006. In 2015, the year of graduation from University, Mrs. Tobin was appointed Graduate Head of Department Math.

This educator took up her appointment as Graduate Deputy Principal of St. Rose's High School in 2017 and continues her journey.

In an effort to further qualify herself and be equipped for the job a second stint was made at the University of Guyana where she pursued a Post Graduate Diploma in Education Administration (2012 – 2014).

Mrs. Tobin has also pursued the Management Certificate Course offered by the Ministry of Education (2008 – 2010).

This educator has twenty-three years of teaching experience and is enjoying it at the St. Rose's High School with overwhelming support from the Principal, Mrs. Hamilton, staff and major stakeholders.

Mrs. Tobin is happily married with three sons.
