MEMBERSHIP REPORT
GENERAL MEETING
March 2023

Dues help the association to cover its administrative costs including the maintenance of the website. Being a member gives alumni an opportunity to serve on the Executive Board, to vote at our elections, to join one of the various standing committees and to present any concerns or issues to the Executive Board. Membership is open to all who attended St. Rose's High School. Associate members are not alumni but family and/or friends who can be sponsored by another member. An associate member can vote and be part of any Standing Committee but cannot serve on the Executive Board. There is one (1) Honorary member who was identified for his continued support to the association both financial and for his volunteerism.

For our fiscal year, ending March 31, 2023, there are one hundred and three (103) members including one (1) Associate member and one (1) Honorary member. This is a net increase of 15 individuals and a 17% increase from 3/31/2022.
